### **HERE'S HOW TO START**

- Go to [www.firstinstrument.com](http://www.firstinstrument.com) and click on the "SMART" Parents button.
- Identify your school using the SMART ID Code \_\_\_\_\_
- Complete the registration information, including brand, model and serial number, along with your music retailer's information. (You can find this on your rental contract or sales receipt.)
- When all the information is complete, click ENTER and you are done!

### **WHAT HAPPENS?**

Our school is awarded 5 points for your registration. As we collect these points, we can use them to get some of the larger school-owned instruments that we need to improve our ensemble.

### **WHAT WILL THE SCHOOL EARN?**

The school can collect points and redeem them for FREE instruments from Conn-Selmer, the largest band and orchestral instrument manufacturer in North America. This includes percussion, background brass, low woodwinds – all the instruments most often owned by schools.

### **Rules and Qualifications**

- Parent instrument registration begins April 1, 2008 for the 2008-2009 school year at [www.firstinstrument.com](http://www.firstinstrument.com).
- One registration per serial number per calendar year
- Instruments registered must be in use by the student in the school or school district selected.
- Maximum three years registration per model/serial number. Rental instruments used for more than three years may not qualify. Instruments manufactured before 2003 will not qualify.
- Only Conn-Selmer student instruments qualify. See the complete list on our website.
- All information is subject to verification of eligibility. Conn-Selmer, Inc. reserves the exclusive right to reject entries not deemed to be qualified.
- Points accumulate over the calendar year may be redeemed for instruments listed through February 28th of the following year.
- Directors or school districts are encouraged to pre-register. These will be available in a search by state for parents to assign their points more quickly.
- Once a school or district is registered, points are not transferable.
- Instrument may also be submitted for schools not yet registered.
- Conn-Selmer will collect these points and endeavor to contact the school's instrumental music instructors through local school music dealers. There is no guarantee of point redemptions to schools not previously registered.
- Program available in the U.S. (including Alaska and Hawaii) and Canada.
